The Louise S. McGehee School

Philosophy

The Louise S. McGehee School is dedicated to its founder's belief in the limitless worth and potential of the individual girl. Recognizing the need for trained intelligence, independence of mind, and a firm set of values, the school seeks to provide the challenges and opportunities which stimulate and sustain individual growth. Our aim is that each girl acquire the skills, knowledge, and self-assurance she needs to achieve a happy life and to fulfill her role as a responsible, contributing member of society.

Miss Louise Schaumburg McGehee

Founder And Headmistress
The Louise S. McGehee School, Inc.
1912-1934

The Editors of the 1984 **Spectator** would like to thank Helen Bell Wagner for giving us this vivid picture of Miss Louise Schaumburg McGehee:

As an old lady (having graduated from McGehee's in 1929), I still consider that one of the great privileges in my life is having been one of Miss McGehee's students. She was a great lady and a superb teacher. Her dignity and decorum were impeccable, yet her charm and wit kept her from being formidable. This is not to say that her brown eyes could not spark as well as sparkle. There was a limit to misspelled words, for instance. To abrogate the limit was hazardous to one's equanimity.

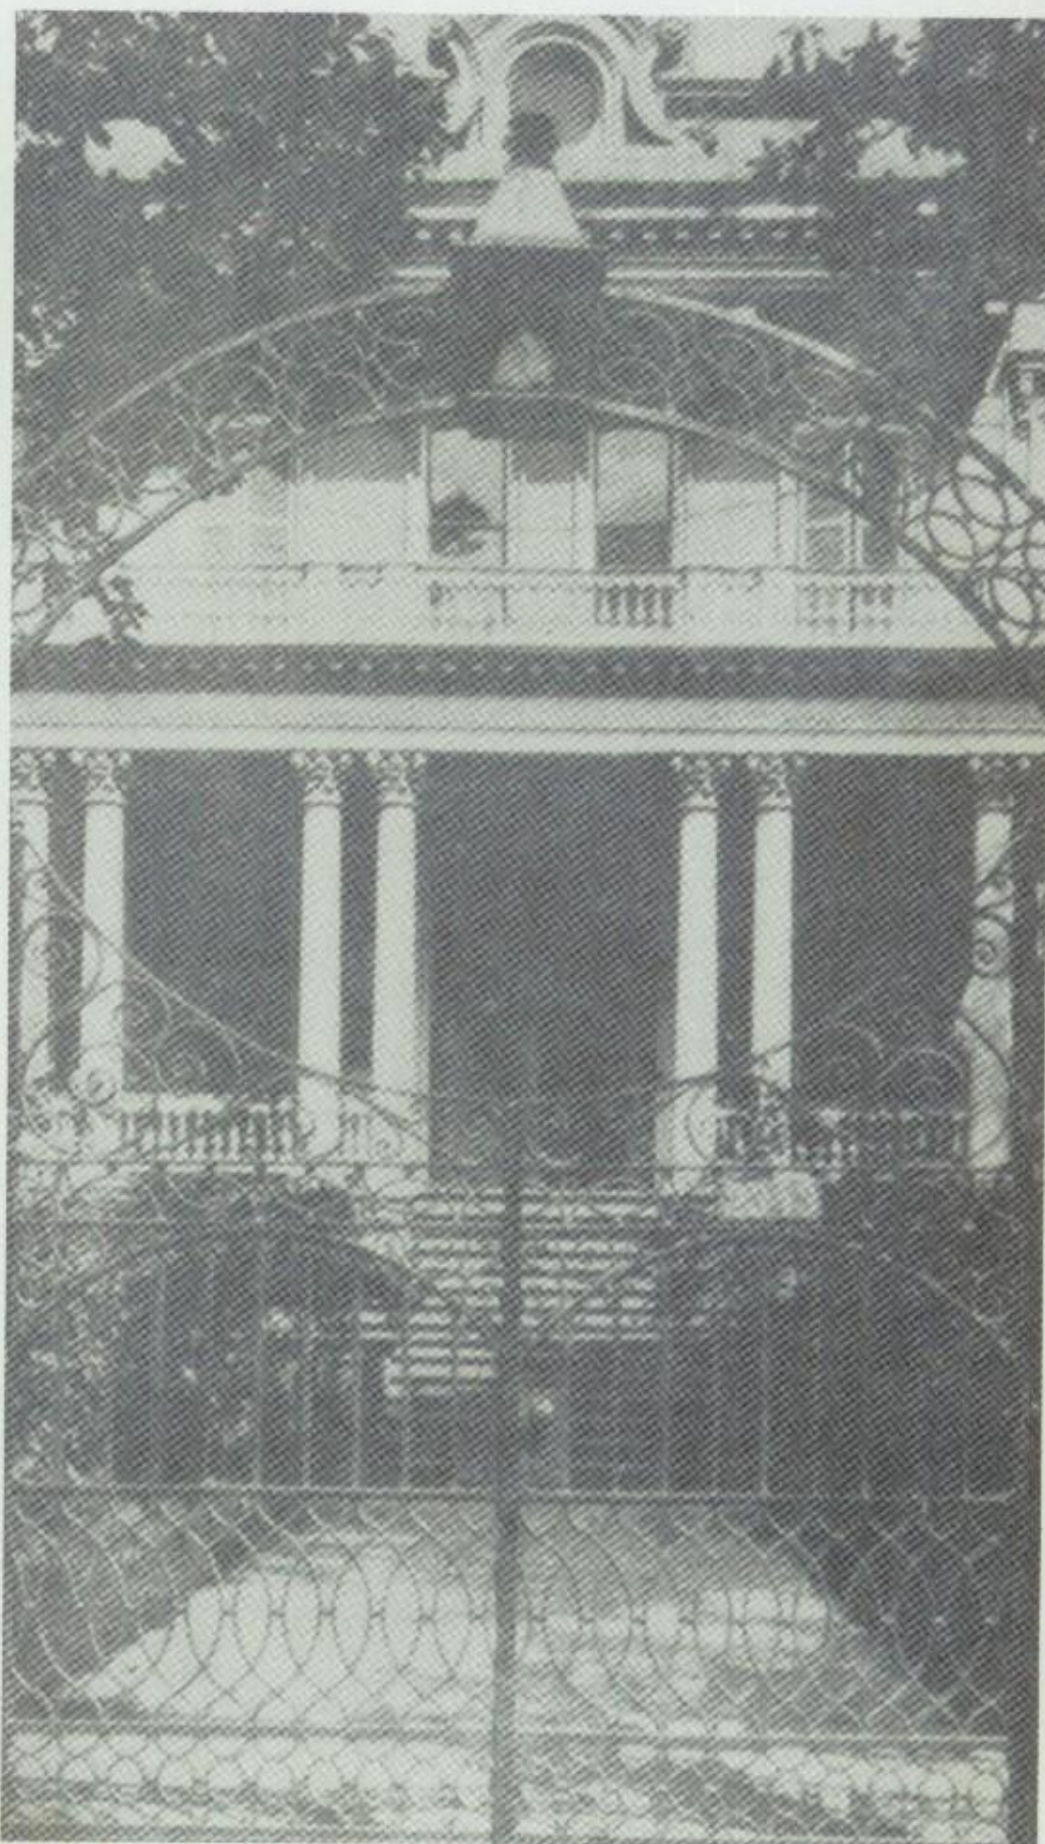

I do not know what I might have been like if I had not known Miss McGehee. I do know that she lighted a fire which remains unquenched. It never occurred to me not to major in English at Newcomb, and I was delighted to return to graduate school many years later and to teach English at U.N.O. She made me a reader and enabled me to sort out the worthwhile from the otherwise. She also inculcated pleasure in writing.

Unfortunately, I am not talented, but I have always truly enjoyed pushing a pencil. So, with the enjoyment of the literary and the fun of scribbling, I owe Miss McGehee much pleasure, as I am sure many of her students do.

My most vivid picture of Miss McGehee is presiding at graduation. I remember her as impressive and truly beautiful. She wore long dangly earrings and an elegant black lace dress. This description may not be statistically exact, but it's my picture. Incidentally, I remember her as unusually tall. She may not have been, but is this not the way we usually think of people we look up to?

Miss McGehee left a heritage which we treasure. Unfortunately, everyone cannot be as lucky as I in having been her student, but each McGehee girl has the benefit of her benevolent spirit which will always be a part of her school.

Helen Bell Wagner '29

McGehee's is a school which has focused on women and their education since its founding in 1912, instilling in them the desire to succeed in a world where women are playing an increasingly important role. The excellent academic program and student organizations within the school as well as the special student-teacher relationship create the unique atmosphere which exists here at McGehee's, an atmosphere necessary for the growth and development of each girl as an individual.

Student government is a major factor in creating a harmonious existence at McGehee's. It is a system based on trust and honesty that gives the student a certain feeling of freedom. This feeling of freedom is

important because it encourages the student to become zealous toward learning and the quest for knowledge, instilling in the students a curiosity which leads them to explore the unknown.

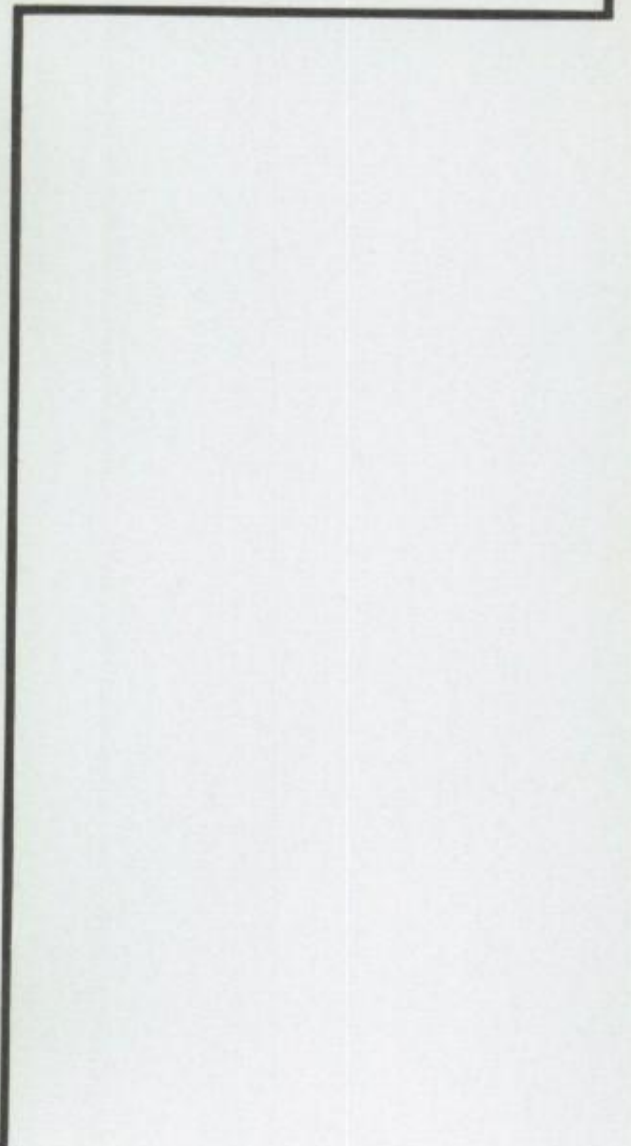

Students also have a special relationship with the faculty which allows the teachers to establish their authority while remaining friends with the students, a practice not frequently seen in other schools. The friendship between faculty and students helps instill a desire to learn and achieve. This desire does not end when the students graduate; it continues and grows throughout life.

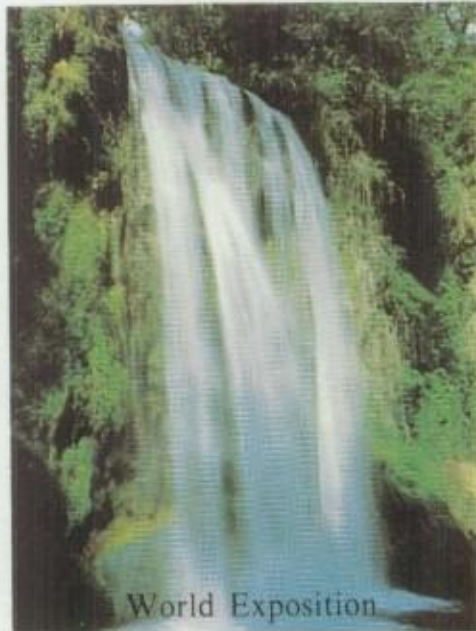

Intellectual curiosity, responsibility, friendship and trust are the hallmarks of McGehee's and the basis upon which it is founded by Louise S. McGehee over twenty years ago.

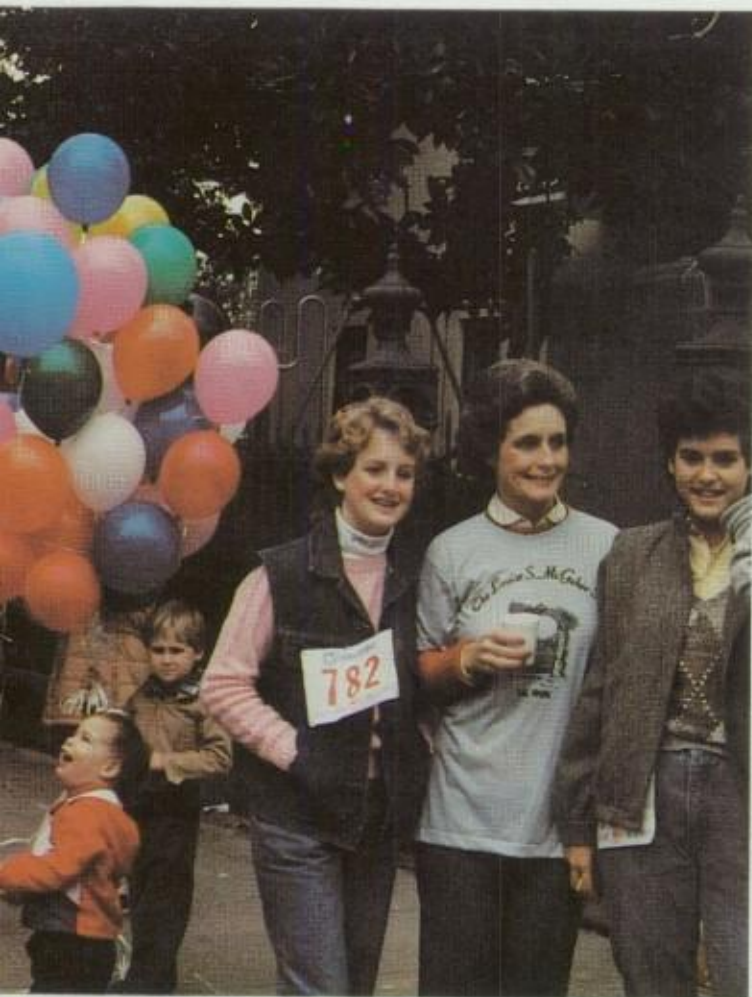

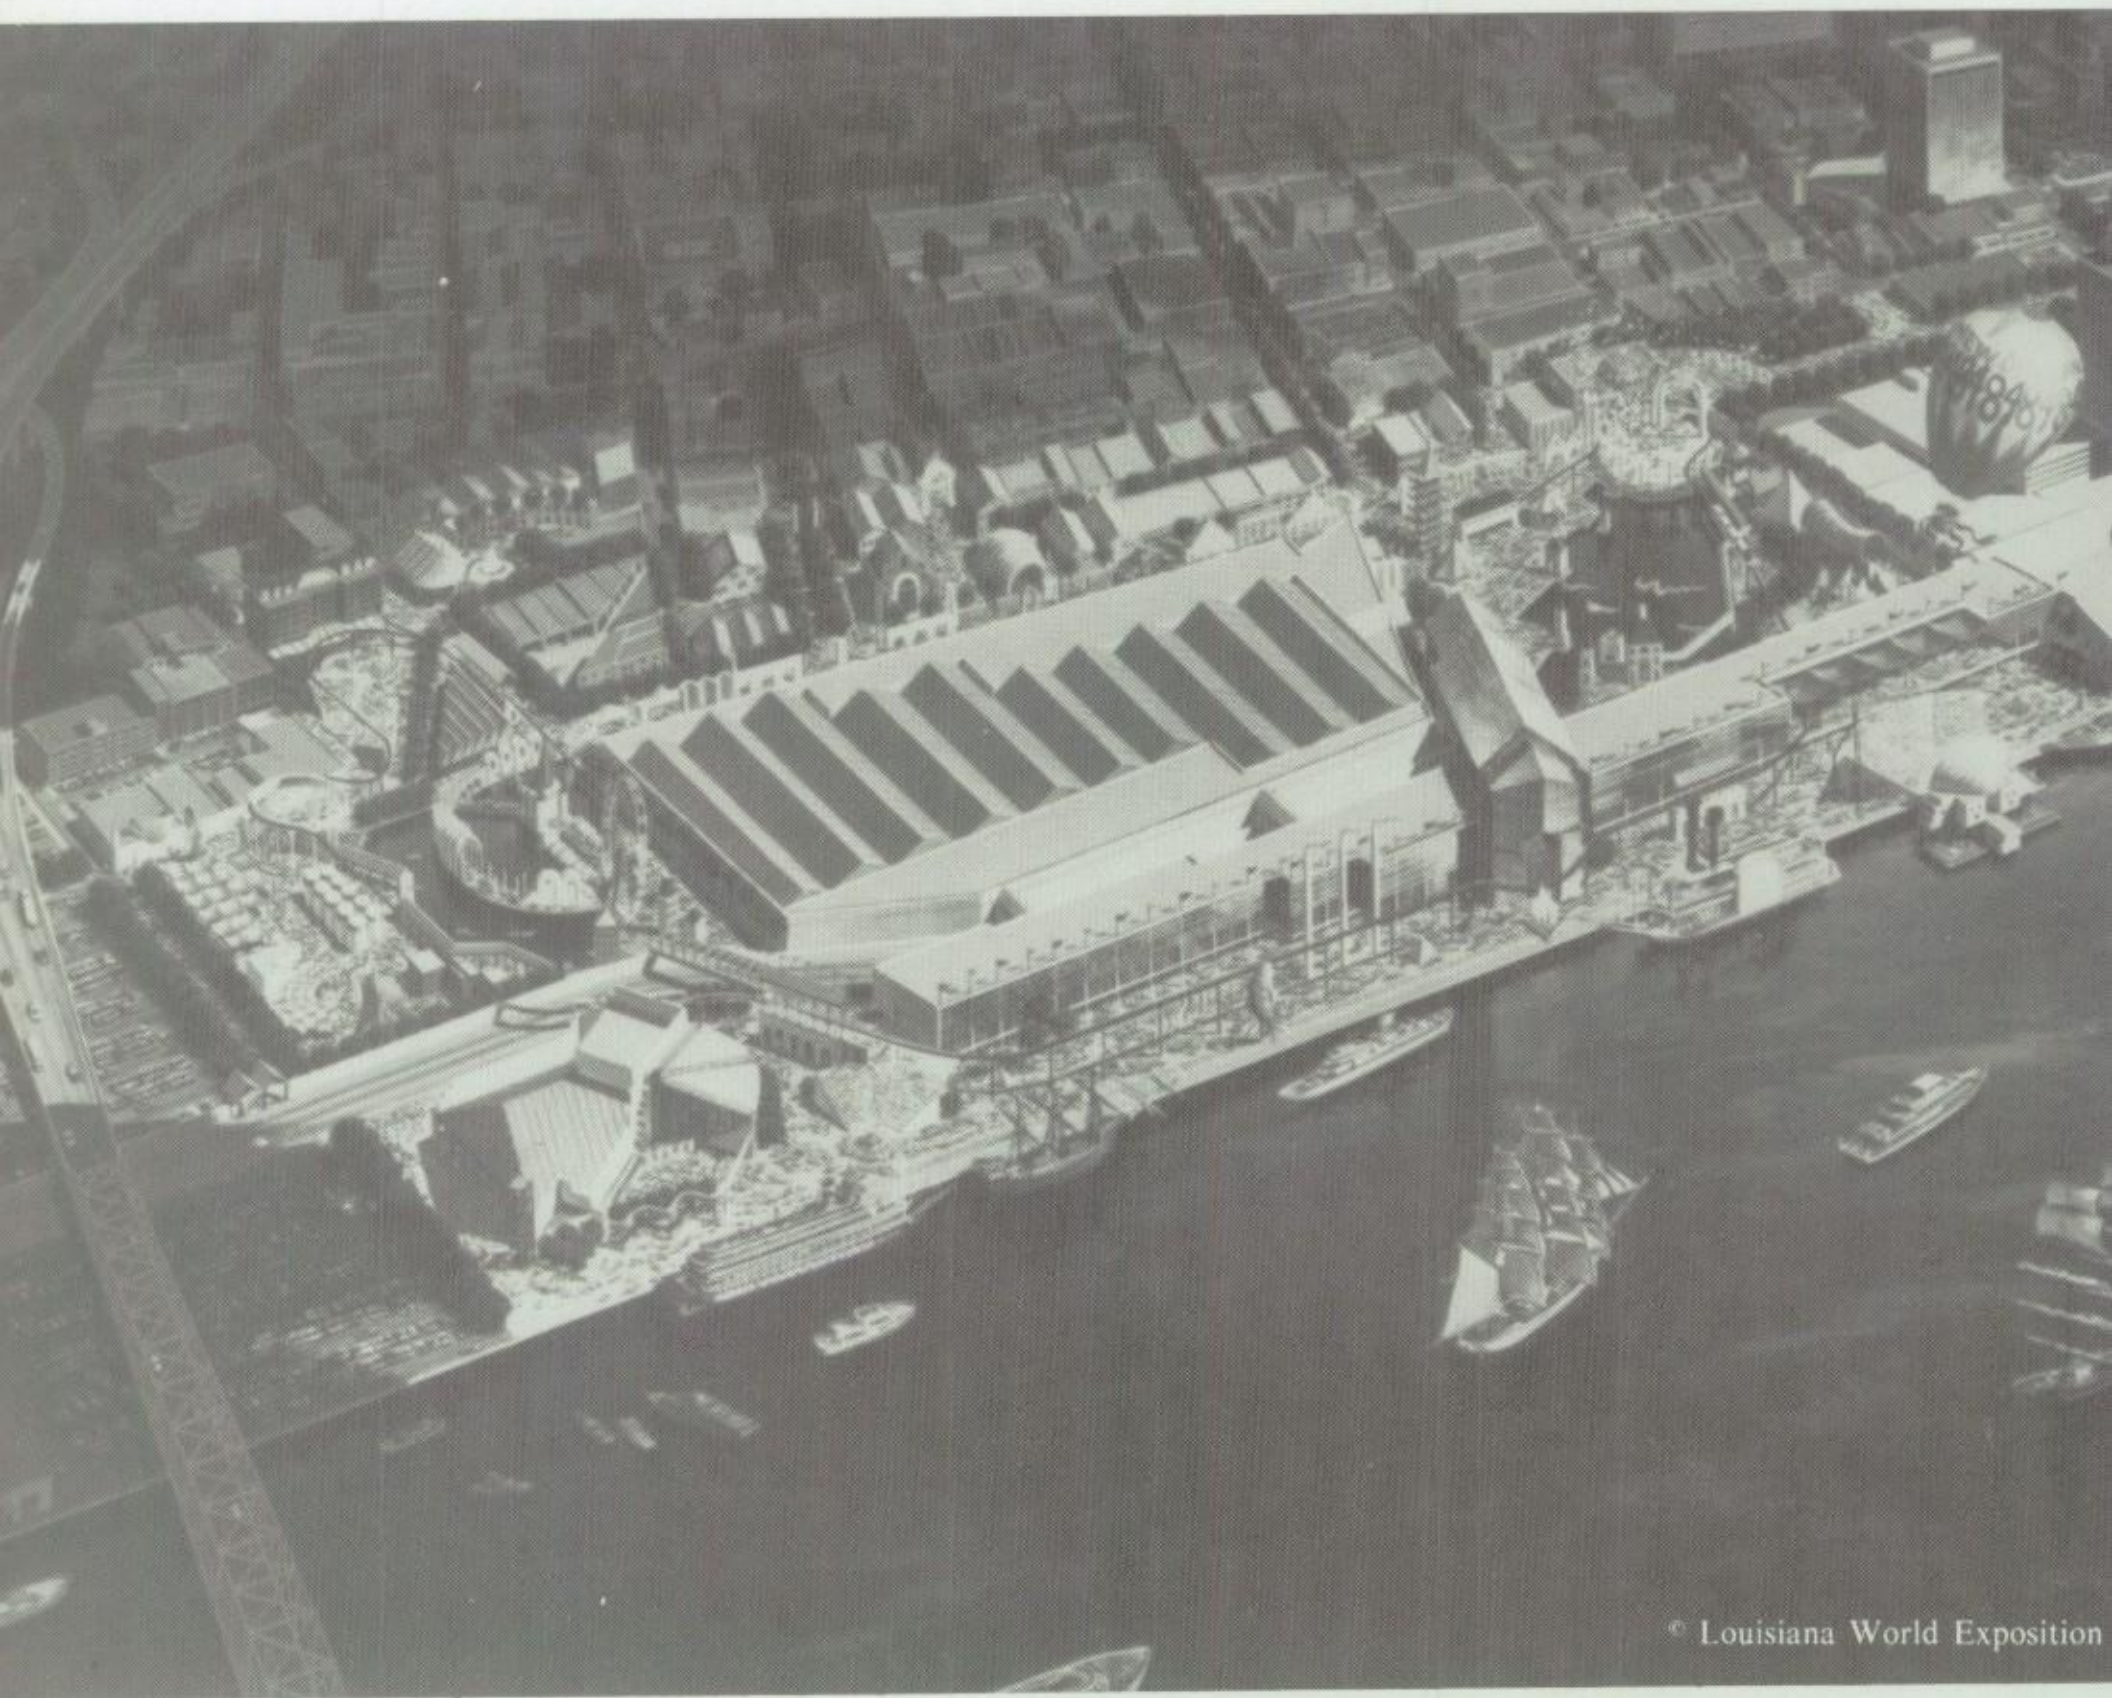

Spring of 1984 marked the opening of the World's Fair in Louisiana. Quite appropriately, the theme was "The World of Rivers — Fresh Water as a Source of Life." The attractions included a roller coaster, a monorail, and a gondola, to name a few. Nations from all over the world gathered to exhibit their different cultures and lifestyles. Tickets were available at fifteen dollars for a day, and ninety dollars for the season. Undoubtedly, our city profited greatly. New Orleans itself went through several changes and renovations in order to prepare for this spectacular event. After a massive face lift, native New Orleanians and visitors from faraway places enjoyed the glitter and excitement of a World Exposition.

After months of preparation, McGehee's also had a very successful fair, opening Saturday morning with a marathon, and closing Sunday with a magic show. Local D.J.s graced our grounds as well as the World's Fair mascot, "Seymour De Fair." All in all, our fair was great fun for all who attended, and a huge success for our school.

Dedication

The first time you saw us, we were delinquent sophomores reading Tennessee Williams. The second time was September of '82, and we had anything but school on our minds.

From the cold, dry North, to the hot, humid South, you came with your sidekick Kim-Su. With MLA and Warriner's as your Bibles, you guided us through high school, vowing that we would leave McGehee's as decent writers. The discipline we had never had was generously given by you, engraved on detention slips, but you knew it was for the best.

Nicholas Nickleby brought a new teaching approach. Instead of reading the story, we watched Dickens portrayed on "THE STAGE." Together we settled the issue of "runways and airports," as you quickly caught on to how few people appeared on days when tests and papers were set.

Romanticism introduced us to Byron, Shelley, and Keats, along with a "host of golden daffodils." Onomatopoeia, synecdoche, and personification helped us to dissect "Ode on a Grecian Urn" and other poems. However, you did not teach us how you preserved your sanity, while we lost ours, in the infamous 5 Main Building.

As senior year started, we were heading towards college but still stuck in high school. You helped us on our way by writing numerous "truthful" recommendations. Do you really want to get rid of us that badly?

Appalled by "Who Dat?", you appeared in the paper to voice your opinion; at the same time, senior members of the Conversation Clean-Up Committee(a.k.a. C.C.C.) were being horrified by the grammatical errors of the underclassmen. This year you also introduced the first honor society to McGehee's, the Beta Club, exclusively for the student with a 3.5 average.

If you will, Miss Rode, please accept the dedication of the 1984 **Spectator** from the Senior Class with all our love and gratitude.

Appreciation

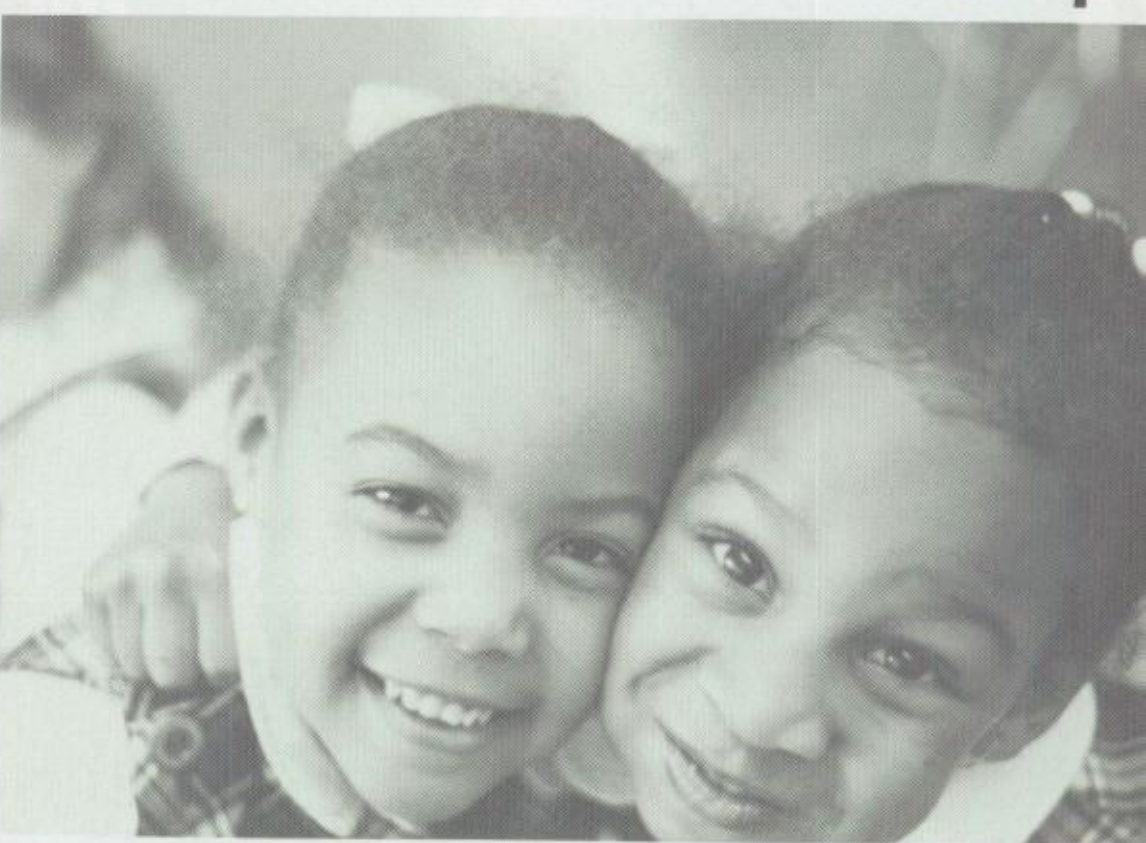

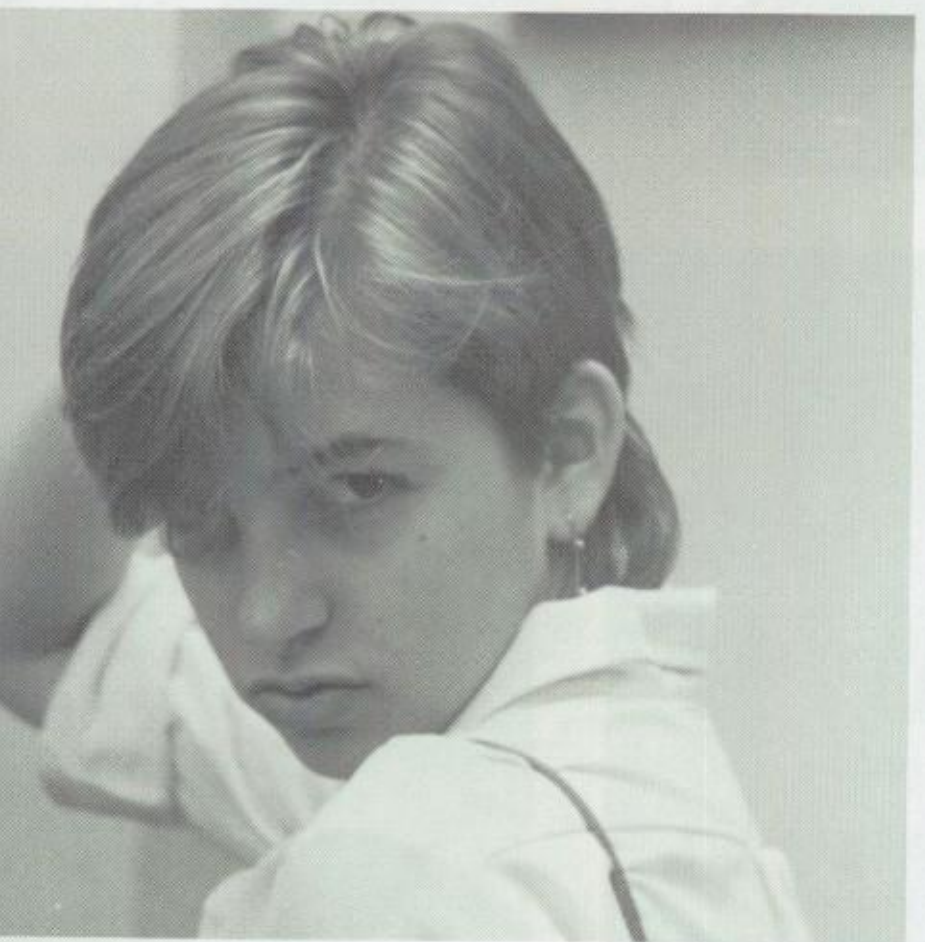

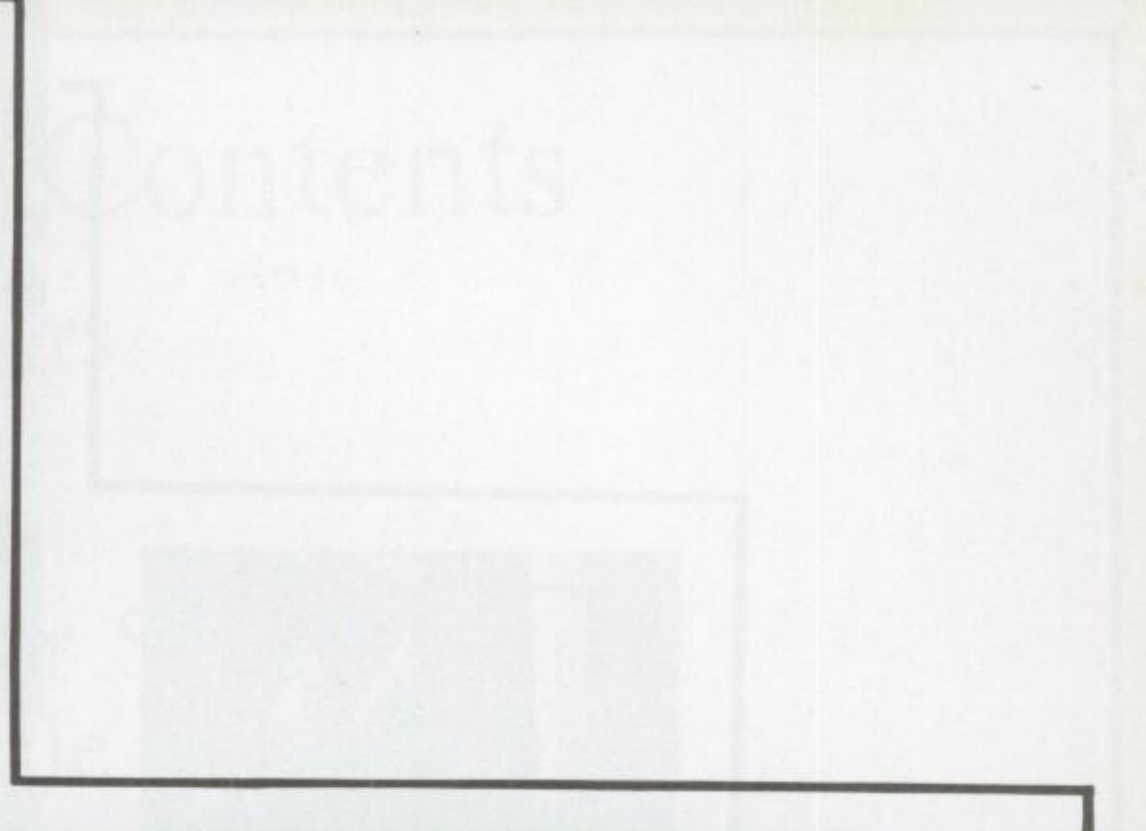

You helped us get into college without a great struggle on our part. Transcripts, recommendations and applications were all mailed on time. You hunted us down when we forgot scheduled appointments and bribed us to attend college visitors. SAT, ACT, and Achievement tests were all taken for the sake of graduating and starting over again.

In sickness and in health, you stuck by us diligently, making certain that we did not fall behind deadlines. You hounded us about absences and volunteering for WYES auctions.

We appreciate all that you have done for us, Miss Flair, and we will never forget you.

Be brave enough to live life creatively. The creative is a place where no one else has been. You have to leave the city of your comfort and go into the wilderness of your intuition. What you'll discover will be wonderful. What you'll discover will be yourself.

Well, those are my parting words as today's door closes softly between us. So long, be happy ...

Oh, by the way, I love you."

The 1983-84 Mohawk Volleyball team had a very successful season. We placed second in the Baton Rouge Episcopal High Tournament. The team also placed second in the Newman Tournament where Jennifer Lewis and Susan Meriwether were named All-Stars.

McGehee's hosted the District Tournament, and the Mohawks placed first, which qualified them for the State Tournament in Lafayette. The Most Valuable Player in the District Tournament was Susan Meriwether, and two of the All-District Players were Jennifer Lewis and Ann Wall. The Mohawks reached the Semi-Finals at the State Tournament, and Susan Meriwether was named an All-State Player.

The Mohawks wish to thank Ellie Hobson for her spirit and her great help in managing the team and scoring at the games. We are grateful to Kim McDougal ('80) for her devotion, spirit, and help during the volleyball season. To Mrs. Kathy C. Ehrlicher, the Mohawks say **THANK YOU** for her great coaching and friendship. KCE, we love you!!!

Soccer

The 1983 - 84 soccer team got off to a good start, defeating Ecole Classique and doing unexpectantly well in the "jambo-ree." The dedicated players drove to Metairie Playground four days a week, no matter what the weather conditions were. They always managed to have a good time both on and off the field. Although the team members may not have been the toughest fullbacks, halfbacks, and forwards, they certainly were the cutest, as well as being the Soccer-Baseball District Champs. This year's team thanks Mrs. Cindy Perret, T.J., and the two devoted fans, Teresa Collazo and Kathryn Lanier, for making the soccer season memorable and enjoyable.

Amy Cole, Ellie Hobson, Brandee Illes, Kim Lieder, Jennifer Lewis(Captain), Ann Wall(Captain), Kathy Bell, Michele Favrot, Susan Meriwether, Charlotte Russell, Lynn Tanzberger, Katie Weil, Jennifer Beacham, Dodie Carpeter, Janine Lissard, Andree Sere, Liz Slatten, and Saunders Vickery. Coach: Mrs. Cindy Perret.

Track

Ann Wall, Michele Favrot, Julie Gooch, Susan Meriwether, Charlotte Russell, and Katie Weil.

The track team's season got off to a slow start due to the extra long soccer season. The team was invited to participate in two major meets, but could only run in one because of the overlapping soccer season. Susan Meriwether was voted most valuable athlete. This is only the second year for the track team, and we know with all the effort and hard work they put into it this year, next year will be even better.

Student Body Picnic

On September 24 members of the Upper School student body gathered at the house of Charlotte Russell in Pas Christian, Mississippi for the annual picnic. The faculty as well as the students attended and enjoyed an afternoon of tennis, swimming, and competitive sports. The two teams were determined by classes: Seniors and Sophomores on one and

Juniors and Freshmen on the other. Banner patches were given to the Seniors for greatest attendance and to the Seniors and Sophomores for winning the team competition.

Members of the volleyball team made an appearance after their tournament. There were many things to do and there was a nice place to sit for those who were too tired to play.

The picnic was fun and exciting for those who attended, and the student body is grateful to the Howard Russells for their hospitality.

Middle School Workshop

The Middle School Workshop, held at Camp Onward in Waveland, was great! When we arrived, we separated into teams by grade and had competitive games. Later, the students enjoyed brown bag lunches outside on the lawn. Soft drinks and brownies were provided for us. After eating

and relaxing everyone went into the recreation room to watch the class skits. All of them were good, but the judges decided that the fifth grade's "Golden Forks" had been an outstanding performance. It was hard to climb on the buses and return to school after such a wonderful day.

Freshmen Initiation

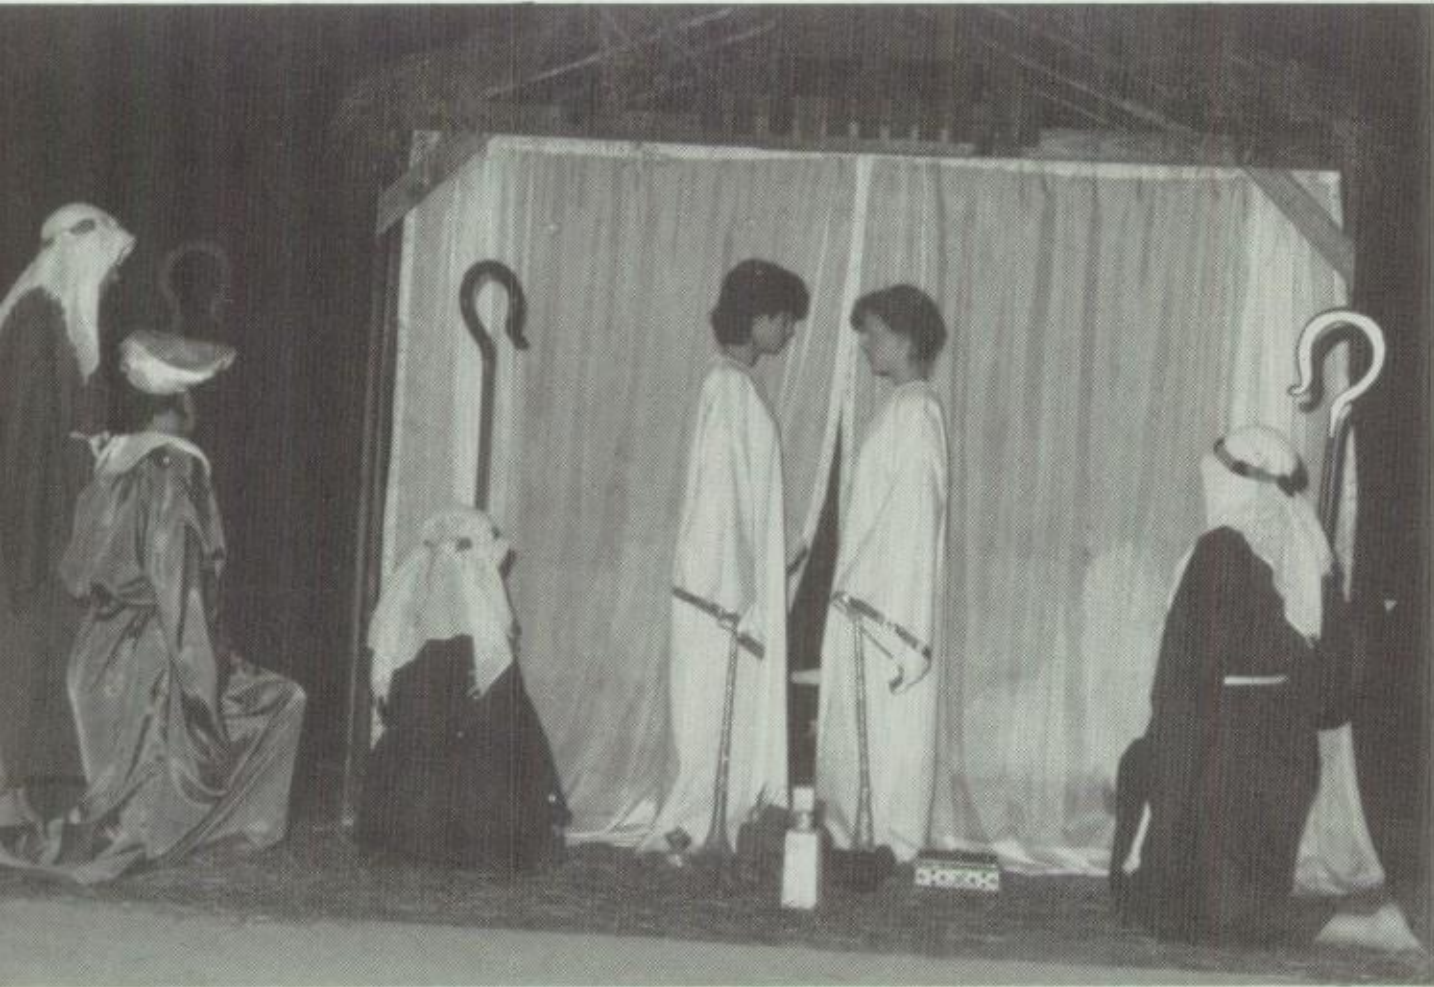

This past year freshmen initiation was the best ever. The freshman, being very good sports, portrayed dogs, while the seniors, their masters, harassed them for one week. During initiation week the freshmen were put in the doghouse, chased by the dogcatcher, sent to obedience school, and were entered into a dog talent show. The dogs arrived to school fully cooperative and in the dog attire which made the week very pleasurable for all. They also received wonderful keepsakes, such as a personalized doggy bowl and doggy ears.

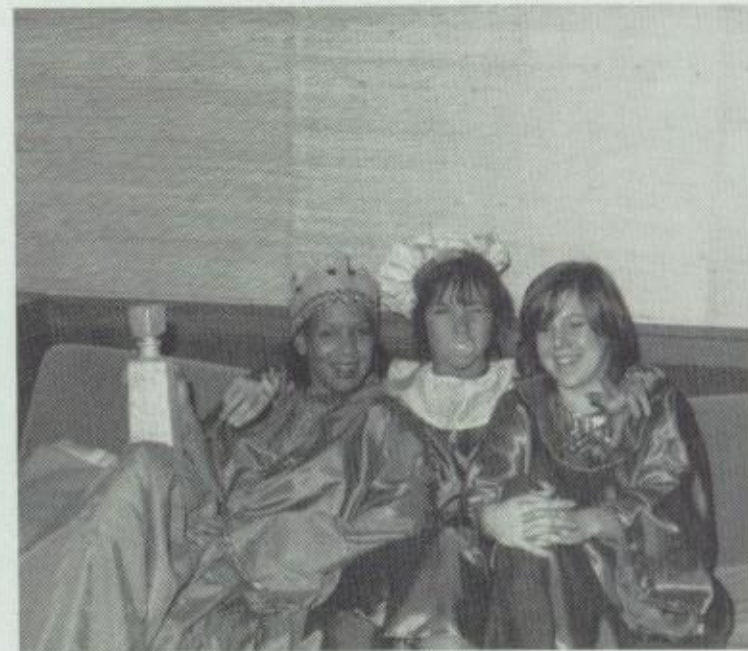

Dogs of the day were selected during that five day period based on the best uniform, cooperation and knowledge. They were in order from Monday to Friday, Patti Hogan (Poopsie), Eugenie Duvic, Larisa Banta (Mutt), Diana Zoller, and Katherine Harang. At the end of the initiation week, the honorable title of Dog of the Week was aptly bestowed upon Ann-Elise Yarborough. The week was a great deal of fun, and the seniors thank the freshmen for being so cooperative.

Nativity

This year, as in the past, the Senior Class gave its Christmas gift to the school- a presentation of the Nativity. Angels, kings, and shepherds flocked around the manger, while Mary (Amy Cole), Joseph (Shirley Gooch), and the Angel (Elizabeth

Caraway) knelt beside the baby Jesus. The speaking and singing choirs provided angelic notes. As always, the students and faculty left for the Christmas holidays with a special warmth in their hearts.

Founder's Day

Founder's Day is a special day at McGehee, for it celebrates the birthday of its founder, Louise Schaumburg McGehee.

Miss Cory Smith, a member of the class of 1974, was the morning assembly speaker. The Choir sang, and the Seniors presented their gift to the

school-benches and a sundial for the front yard. The highlight of the celebration was the Fourth grade's lively and amusing presentation of **The Jungle Book**. After the play, cake and ice-cream were served in the front yard, and students were dismissed for the Spring holidays.

Upper School Play

As tradition, the Father-Daughter Luncheon was held on October 26. Southern fried chicken, salad and brownies were served, as usual, and entertainment was provided by Lower, Middle and Upper school choirs. It was a perfect day and everyone had a fabulous time.

Alumnae Banquet

April 5, 1984 was the night of the Louise S. McGehee School Alumnae Banquet which honored Miss Katherine McFetridge as well as the graduating classes of 1934, '44, '54, '59, '64, '67 and 1984. The evening began with a welcome from Alumnae Association President, Catherine Claiborne Schmidt ('65), and a

greeting from Headmistress Janet P. Hensley. Following this was the presentation of the honored Classes by the Banquet Co-Chairmen Catherine Rainold Brewster ('71) and Lise Ecuyer Eustis ('71). Each member of the class of 1934 received a certificate indicating fifty years of membership in the Alumnae Association.

The Senior Class was introduced by Class President Emily Charles. The guest of honor then made her speech. Katherine McFetridge taught Latin at McGehee for fifty years before her retirement. April the fifth was a chance for the Alumnae Association to express their thanks to her.

Seniors' Last Day

May Day May 5, 1984

On May 5, 1984, the Sophomores took their big sisters, the Seniors, on a trip around the world. Ellie Hobson was crowned Queen of England (a meek job for a girl of Ellie's splendor). The Queen's court consisted of Emily Charles and Ann Wall. Being spring time, of course the tulips in Holland (the Third Grade) were in bloom as they danced around the Maypole. The weather was great and a good time was shared by all!

Graduation

On June 1, 1984, the class of 1984 said their final goodbye to McGehee. Many times were remembered as speeches were made by Jennifer Case (Valedictorian), Mr. Richard A. Whann (Chairman of the Board) and Emily Charles (Class President). After

the ceremony, the Seniors began a long night starting with a party at the Faris' and ending with breakfast at the Georges'. There were mixed emotions about leaving McGehee, but all agreed that the years spent together were great and will never be forgotten.

Miss Janet P. Hensley

Headmistress

In 1982, McGehee added an energetic, fun-loving person to its staff-Janet Hensley. Miss Hensley came to us from Harpeth Hall- a girls' school in Nashville, Tennessee. Since her arrival, the school has undergone many changes — all for the better — and we think that many thanks should go to Miss Hensley. We are fortunate to have her as a part of the McGehee family.

THANK YOU, MISS HENSLEY!
